Please remember to keep an eye on your children on outside grounds and in the building.

Driving on club grounds is prohibited unless you have a construction/heavy load to deliver to a dock or dock house. Please respect the maintenance of the condition of the grounds.

Outside beverages are prohibited in the building and on the patio! You may continue to consume outside beverages on the rest of the grounds (unless prohibited for a specific event). Regular support of the bar is essential to our club's success.

WORK HOURS LOG BOOKS. There are two logbooks in the bar; one is for recording hours worked and the other is to list your name if you need work hours. Please remember to record any work hours that you work and sign up to get your hours in, as we near the end of 2017 chances to complete those hours are dwindling!

COMMODORE: MIKE LINDSEY

I would like to thank all the membership for allowing me to lead the in 2017.

Thank you to all the club members that worked to make the club a better place.

Thanks to the board for all the work and time spent doing their jobs. It's greatly appreciated.

Special thanks to Steve Todd for all the effort he put in running club events.

I'm confident that the new board will continue to make great strides in improving the club even more.

I will be getting back to work on the building project, so stay tuned for some new ideas and improvements!

See you at the club!

Mike Lindsey

Thanks to Scott Sheets and Art Bowden for driving the van and the Krell brothers for their construction of the new hole.

SECRETARY: ANN MCCAUGHAN

As secretary, I am reliant on club members to provide me with information that needs dissemination to the greater membership, especially regarding **Good and Welfare**. Please be sure to contact me if you are aware of any members or family members who should receive the club's condolences or blessings. I can be contacted via email at ann.mccaughan@comcast.net, or via telephone at 208-221-9795 with that information.

In addition, we are working diligently to ensure all members are getting emails, and continue to receive reports that not everyone is receiving them. If you are not getting club emails, please email me directly at the above address and I will manually check your email in the system.
