COMMODORE: STEVE TODD

Greetings to all. There will be some very important discussions at the April membership meeting pertaining to the events of the last month. Please be in attendance!

Free Clan MacGregor mixed drinks and shots will be served at the meeting. We will be toasting the memory of Gene Hayes.

A huge thank you to everyone who has come out and supported the club during this time of transition. I am impressed by the turnout and the overwhelming positive feedback. Kitchen tours will be provided to those interested in seeing our kitchen's capabilities.

Work day is April 8th, there are many things in the building and grounds to get us ready for boating season! Donuts, coffee, orange juice and mimosas will be served!

We have many events coming up in April and May, and I look forward to seeing you all at the club!

Please consider the club for lunch and dinner. There are several new menu items, and more to come!

See you at the club!

VICE COMMODORE: FRED WALRAVEN

Welcome to spring at SMBC, as I write this the sun is actually making an appearance after it seems like weeks of clouds. The lake is coming back up after some much needed rain and the continued pumping in of water by CWLP so it is looking up for the upcoming boating season at SMBC.

We have a couple of events upcoming in April, the first is April 7 trivia night which has been a good money maker for the club and we still have tables available so contact Greg Hamende for reservations.

Next is the Paint Night on April 29th, we need 35 reservations and at last count 31 have signed up so we are sure to make the number by 14th of April, please come out and show off your artful talents.

One reminder and that is takeout from the restaurant is an option all days when the club is open, just call you order in and come pick it up. Shelby and now Tommy are working on new menu items for the rest of the year and the food is great come out and enjoy and please make reservations so we may server you better.

I want to give a special thanks to Greg Hamende for a lot of extra work he has done over the past few weeks from washing the bay room and dining room windows inside and out, moping the bay room floor and helping Shelby rearrange and cleanout the garage next to the kitchen, he works tirelessly on anything that is needed. Thank you Greg.

Come and see us soon at the club!

FLEET CAPTAIN: SCOTT SHEETS

As a reminder please do not drive on the grass. Work day is scheduled for Sunday, April 8, 2018. We need two people to pressure wash floating docks A and B. Friendly reminder that all boats must have a current Lake Sticker and current DNR Sticker. Dock inspections have been completed. Docks owners will be receiving the inspection report in the mail. If an inspection report is not received then there were no violations.

Congratulations to Adam Blair, Dock 7 for winning Dock of the Year.

The building is in good working order without any major repairs. We will have several projects during work day including painting the bar rail, replacing ceiling tiles, cleaning the windows, and general building cleaning.

As secretary, I am reliant on club members to provide me with information that needs dissemination to the greater membership, especially regarding **Good and Welfare**. I can be contacted via email at ann.mccaughan@comcast.net, or via telephone at 208-221-9795 with that information.

GROUNDS DIRECTOR: SHANE HEDGE

Spring is finally here along with work day. We have several projects to complete so bring your rakes, leaf blowers, push mowers, weed eaters, trailers, and chainsaws. Looking forward to seeing everyone.

I would like to thank Brian Black and Becky Griffiths for allowing the club to use their boat for the St Patrick's day parade. Thanks to all the members that braved the rain and cold to participate in the parade.

The garage looks great thanks to Mike Hamende stop in and check out his handy work.

As the grass starts to grow I will be looking for volunteers to help with the mowing. Please get a hold of me if you can help with this. If anyone has a working push mower they would like to donate to the club it greatly appreciated for ours has seen better days.

Thanks for your help
