## **COMMODORE: STEVE TODD**

Spring has sprung and with it comes our shift to Summer hours (effective May 6! Monday closed. Tuesday 5-8, Wednesday and Thursday 11-1 and 5-8, Friday 11-1 and 5-9, Saturday 11-2 and 5-9, Sunday 12-5 bar menu only with a grill menu to follow.

The response to the changes in the restaurant have been very positive!! Your continued enthusiasm and support are critical to our ongoing success. We are ALL in the restaurant business now!!

If you are considering the club for a holiday party (and I hope you are) please get your request in ASAP.

Many more changes are coming to the club over the next several months. Stay tuned!!

See you at the club!

## **VICE COMMODORE: FRED WALRAVEN**

The paint night was a very successful event and all participants seemed to have a great time and the paintings I saw looked great lots of positive comments so we will do this again maybe in the fall.

Just a quick reminder since the emails are going out regularly, please be sure to make reservations for the Cinco De-Mayo on May 5, Mothers Day Brunch May 13. The spring dock party will be Saturday May 26 and there has been lots of work on boat houses this spring so there will be lots to see at the dock party.

I want to thank everyone who has dined at the restaurant since we took over operation almost two months ago. Lunches have returned and summer hours will begin in a week. We have hired some new staff to prepare for lunches and dining on the patio once the weather permits. The operation of the restaurant and bar takes a lot of work and hours to make it happen and we are working hard to make sure everything is running smoothly. Thank you for your understanding while we continue to make the transition. Please also consider making reservations so we can have the proper amount of staff on hand to better serve you.

We are planning live entertainment on select Friday nights after the queen of hearts drawing please check your emails for the nights we will have the entertainment on selected Fridays.

Thank you

## **FLEET CAPTAIN: SCOTT SHEETS**

As a reminder please do not drive on the grass. Friendly reminder that all boats must have a current Lake Sticker and current DNR Sticker. The CWLP Lake inspector paid a visit to SMBC and we were told that all trailers on the property must have a current tag and registration. The inspector will be returning in the very near future to ensure we are in compliance. If you have a trailer on SMBC property without a tag and current registration that trailer must be removed; we do not want to be out of compliance with CWLP. Again, please do not drive on the grass!

## **BUILDING DIRECTORS: BOB KRELL & BRUCE OBBEREITER**

The building is in good working order without any major repairs. We will have several projects during work day including painting the bar rail, replacing ceiling tiles, cleaning the windows, and general building cleaning.

## **SECRETARY: ANN MCCAUGHAN**

As secretary, I am reliant on club members to provide me with information that needs dissemination to the greater membership, especially regarding **Good and Welfare**. Please be sure to contact me if you are aware of any members or family members who should receive the club's condolences or blessings. I can be contacted via email at [ann.mccaughan@comcast.net](mailto:ann.mccaughan@comcast.net), or via telephone at 208-221-9795 with that information.

Be sure to like/follow us on Facebook for regular club updates:

## **GROUNDS DIRECTOR: SHANE HEDGE**

Looks like warmer weather is finally here. Thanks to everyone who came out for the special work day to clean up the grounds. Your hard work was greatly appreciated.

The picnic tables and garbage cans will be placed around the grounds in the next few days. I ask the support of the membership to help keep the garbage cans emptied. If you are working on a project please throw your waste in the dumpsters and not the cans.

The traffic on the grounds is getting out of control and we are getting a path worn into the grass. If you don't have a truck load of materials to take to your dock, there is no reason to drive on the grounds. Please utilize the parking lot.

We are replacing the ropes along the parking lot. If anyone knows how to splice two ropes together please get a hold of me.

Thanks you for your cooperation.

## **BEACH DIRECTOR: ADAM BLAIR**

Spring is finally here! The beach house and sand volleyball court are now open! Beach area lake water testing will begin the week of the 7<sup>th</sup>. The water is tested once a week, and as long as the results are good, the water is approved to swim in. Should the results return negative, a sign will be posted on the beach. The floats and ropes have been installed – but please swim at your own risk until water testing has begun and returned good results. The water temperature is a little “brisk” as of right now. Spring work day was a HUGE success. Thank you all who pitched in with clean up, beach house cleaning, rope and float cleaning/install and tilling the sand – it’s very soft now! Be sure to take a minute and enjoy the view from the chairs on the beach – they have a cup holder for your beverages as well!

See you all at the club!

## **REMINDERS & NOTICES:**

Please remember to keep an eye on your children on outside grounds and in the building.

Driving on club grounds is prohibited due to saturated soil. Please respect the maintenance of the condition of the grounds.

Outside beverages are prohibited in the building and on the patio! You may continue to consume outside beverages on the rest of the grounds (unless prohibited for a specific event). Regular support of the bar is essential to our club's success.

**WORK HOURS LOG BOOKS.** There are two logbooks in the bar; one is for recording hours worked and the other is to list your name if you need work hours. Please remember to record any work hours that you work and sign up to get your hours in.
